Missions

Papua New Guinea Peace

Pray for peace and calm in Papua New Guinea. Tension between certain tribal groups has escalated in recent days and it has begun to affect the ministry of both the Bible college and the hospital (Kudjip Nazarene Hospital).

Pray that the conflict may be resolved in a peaceful manner and that God will be glorified.

The Lord replied, "My presence will go with you, and I will give you rest." Exodus 33:14 (NIV)

Welcome

You are important to God, and you're important to us!
That's why we welcome you to worship
here at Oakland Nazarene.

Please take a moment to fill in the information on the "Pew Pads" that will be handed out after offering. Please include spouse and children's names if they are in the service with you this morning. If your address or phone number has changed, please provide the new information. Please pass the completed pad back to the center aisle. Take a moment to note the names of the people seated around you: this is a great way to meet and welcome new friends! The ushers will remove the completed sheets from the pads after the service is over.
